

Cheater

I'm all for cheating
If it gets you there faster
I'm all for cheating
If it gets you done on time
Some think its wrong
But I say that takes longer
Some think its wrong
But I say its just fine

Winners who win finish last
Winners they choose own path
Winners who win finish last

Call it what you will
Thats ok I'm a cheater
Call it what you will
Thats ok I don't mind
Shortcuts are there
And I'm a strong believer
Shortcuts are there
Maybe you should unwind
